

TOP SECRET

Official Diary

Thursday, 19 July 1951

25X6

Told Mr. Pforzheimer that the Atomic Report would not be published in its present form but would go back to the committee for revision. Asked him to check with Dr. Chadwell and produce a letter explaining the delay to the Joint Congressional Committee.

PRC meeting this afternoon.

Talked to [redacted] and got permission for Trubee Davison to read the [redacted]
